

Please refer to the pricing sheet accompanying this booklet for pricing.

Each bouquet is arranged inside a cone-shaped vase, set centered at the head of the grave.

Holiday bouquets need to be ordered by the date specified on the order sheet.

Custom bouquet orders, such as birthdays and anniversaries, must be placed a minimum of fourteen (14) days prior to the date needed. Orders received after this time frame cannot be guaranteed. If a date of an arrangement falls on a weekend, the arrangement will be placed on the grave the Friday before.

Please be aware that Rosedale Cemetery and its staff are not responsible for the arrangement once it has been placed on the grave.

Bouquets will remain on the grave until they become unsightly.
